

Dear colleagues

On December 1st, at 15.30 hrs exactly I will defend my thesis "Ethics, end-of-life and vulnerability".

Please find attached an invitation to the ceremony, reception and social gathering.

At [www.drvanbruchemvisser.nl](http://www.drvanbruchemvisser.nl) you can find a link to the full thesis, together with other information.

If you would like to attend the (Dutch) ceremony via livestream, please leave a message on the site.

We will send you the link as soon as it becomes available. You can also leave a message regarding your attendance at the ceremony, reception and/or social gathering.

Of course we will adhere to COVID-19 restrictions.

If you would like to receive a hardcopy of the thesis, please let me know.

I hope to meet you on December 1st,

With kind regards,

Rozemarijn van Bruchem-Visser
